

A pixel art illustration of a village at night. In the foreground, there are several houses with glowing yellow windows. A street lamp with two lights stands on the left. In the background, there are more houses, a church with a bell tower, and a forest of trees. The sky is dark with some stars.

LEGACY COLLECTION

ASSETS GUIDE

Free Assets Organized by Series

Explore the assets included in this collection and discover
how they connect to the full premium series.

ORGANIZATION

This collection includes a curated selection of free assets organized by series.

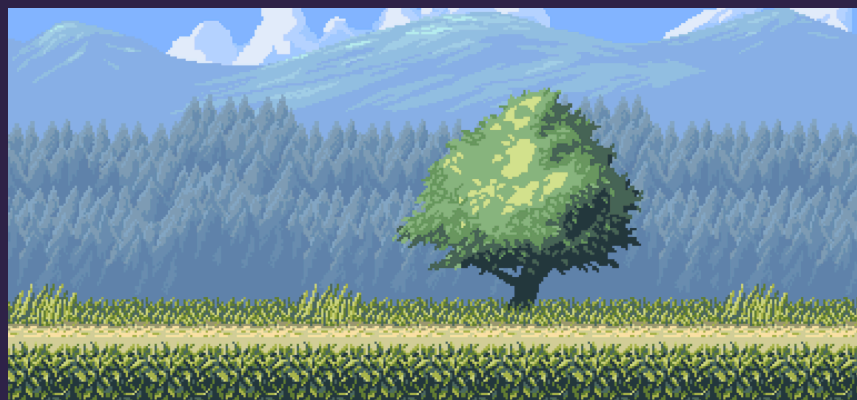

Each asset belongs to a larger collection with a consistent style and theme.

To keep everything simple and easy to navigate, each series folder is organized into two main categories:

- **Characters** → Players, enemies, and animated entities

- **Environments** → Backgrounds, tilesets, and props

Each section represents a different series:

Gothicvania
Dark Gothic Worlds

Warped
Sci-Fi Environments

TinyRPG
Classic Fantasy Assets

Explosions & Magic
VFX and Combat Effects

These are free samples from much larger, continuously expanding collections.

Note:

Some assets are now available as dedicated Starter Packs for better organization and easier access.

GothicDania

Dark gothic pixel art inspired by classic Castlevania games.

Includes in this collection:

- Characters
- Environments
- Props
